ALTA

Stunning secluded chalet in Lavancher

This wonderfully stylish and architecturally designed chalet offers guests privacy whilst still being able to enjoy the stunning mountain views of the Chamonix valley. The interior furnishings are simply sublime giving the ambience of a chateau whilst keeping all modern comforts and conveniences of a chalet home.

On the ground floor, you'll find a solid oak dining table, lavish sofas leading onto the chalet's bar and access to the indoor/outdoor swimming pool, which has hydropool jets to ease those aching muscles after a day on the slopes.

Descending to the lower ground floor you enter the cinema room with soft comfy sofas leading through to the chalet's top of the range spa area. Here you'll find a sauna and steam room adjacent to the chalet's gym which is equipped with a sonos sound system.

The chalet has five en-suite bedrooms fitted with Carrera bathroom suites, each with its own balcony offering beautiful mountain views. There is also a four-bed bunk room for the children.

Chalet Alta is a celebration of the finest natural materials and fabrics. This is a place to relax and recharge, whilst spending quality time with family and friends.
