

**Introducing France's Best Ski Chalet for 4 years in a row, Le Chalet Mont Blanc invites you:
To most spacious, and luxurious chalet in all of Chamonix.**

Indulge yourself in 1,000m² (10,750sqft) of ultimate luxury set in over a hectare of land, rich in history, and as magical, as the mountains it rests in.

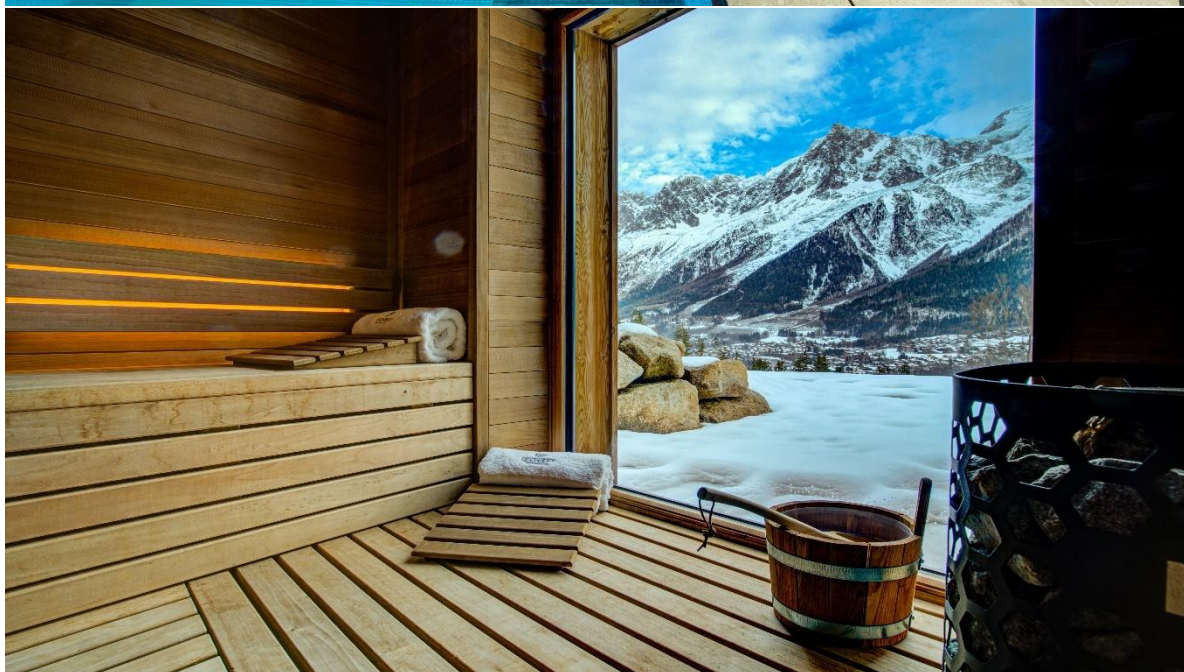

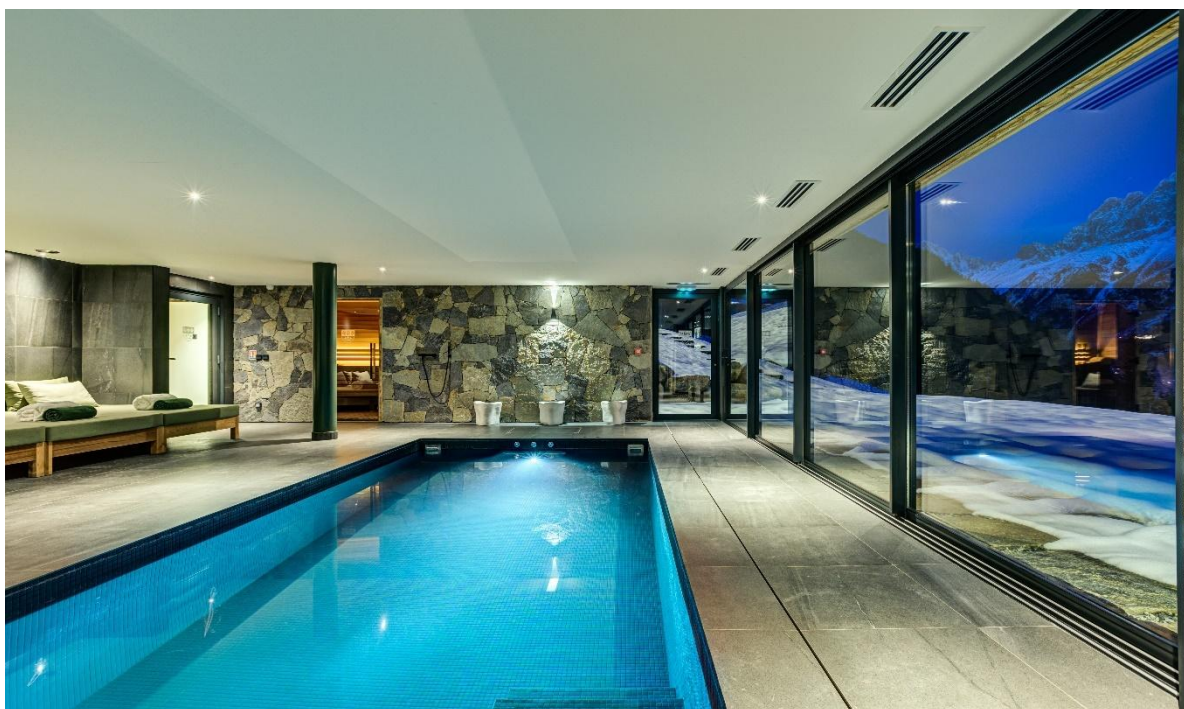

With 12 bedrooms ALL facing Mont-Blanc this ultra-modern chic chalet has designer interiors and one-of-a-kind artworks.

Perfect for Corporate, large families and friends this chalet is nestled in woodland with the closest views of Mont Blanc. Boasting the longest hours of sun in the Chamonix valley all rooms have a south facing uninterrupted views of the snowcapped all year-round mountain chain.

Spread out over 5 floors, with a lift and, features indoor Swimming Pool, Jacuzzi, Sauna, Gym, Massage room, Cinema room, Games room, Wine Cellar, 12 bedrooms, 16 bathrooms, 18 televisions, taking the capacity to 24 people.

Le Chalet Mont Blanc not only offers what all luxury Chalets offered but also something different thanks to the space, the situation and a particularly the staff which will make your stay an unbelievable and unique Mountain experience.

Comprising of 2 Master suites, and 10 executive level bedrooms, every room has a balcony or terrace and all face Mont Blanc. Every room is en-suite, complete with smart TV, B&O Bluetooth music stations, Wi-Fi, and laptop safes.

Le Chalet Mont-Blanc was designed by the famous architect Thomas Fourtané, and boasts 3 lounges, day lounge, cocktail lounge, and the main lounge. The dining table is one of a kind solid piece of oak from burgundy, with Italian marble legs. Designed by Victoria Wilmotte it can seat 24 people comfortably. Other designer one-of-a-kind art works by Matteo Gonet, sets this chalet apart from the rest.

Spread over 5 floors, with no less than 5 massive outdoor terraces, the lift connects down to the wellness centre, with swimming pool. The swimming pool has a built in Jacuzzi and swim against jets. The sauna has a floor to ceiling window. Around the poolside are sofas, showers, and a drinkis frideg for healthy juices and water etc. The dedicated massage treatment room and gym which can be converted into a couple's massage room if desired. Beauty products by Hermés. The wine cellar and Champagne station by Ruinart is heavenly.

The massive grounds where you will often see deer, & Chamois and if you are lucky our resident marmots. Our private stream with waterfall, and a hectare of mountain pasture, all make the grounds a wonderful delight to stroll around in.
